

Announcement!

17th January 2023

Dear Team,

Dr. Gabriel Njue has been Bliss healthcare since May 2021 as the Chief Operations Officer and for the last 1 year and 7 months, he has played a critical role in streamlining Bliss Healthcare operations, quality of service, customer satisfaction and growth of the company revenues in cash and FFS during his tenure.

In 2023, the organization strategic plan is to grow further and expand in terms of visibility and footprint with an aim of improving patient experience as well as offering quality and affordable healthcare services in Kenya and the East African region at large. With the foregoing and in line with the organization strategic plan, the Board has promoted **Dr. Gabriel Njue** to the position of **Chief Executive Officer**.

We are also pleased to announce that **Dr. Denis Otieno Ogolla** has joined Bliss as **Chief Operating Officer**. He brings along over 22 years wealth of experience in healthcare industry. He is a seasoned healthcare executive with extensive practical experience in healthcare delivery, the ability to balance strategic decision and financial discipline, hands on approach to leadership resulting in employee, patient and physician satisfaction. He will report to Dr. Gabriel Njue.

Prior to joining Bliss, Dr. Denis Ogolla was an Adjunct Faculty course leader – Managing Healthcare Businesses programs at Strathmore Business School. Dr. Denis has also worked as Managing director – Evercare Group that is an integrated healthcare delivery platform operating in Africa and South Asia and also as Group Chief Executive Officer and board member of Avenue group.

He holds a Masters of Public Health degree from JKUAT, a Masters of Business Administration (MBA) from Nairobi University and a Bachelors of Medicine & Bachelors of surgery degree from the University of Nairobi.

A detailed Organization Structure will be shared soon.

Please join me in congratulating Dr. Gabriel Njue on his promotion and welcoming Dr. Denis Ogolla onboard.

We are so grateful to have them on the team.
